Essential 2017 *Prenatal & Postpartum* *Yoga Teacher Training*

with **Carla Anselm** ERYT 500, Doula **July 21-22-23, 2017 • 20 hours**

The Open Sky Essential Prenatal and Postpartum Yoga Teacher Training offers already certified yoga teachers the opportunity to learn how to safely guide pregnant students through each trimester of pregnancy including the postpartum period. Learn to adapt yoga practice to support, nourish and honor the journey of pregnancy, as well as the benefits of practice and the contra indications. Teachers will explore the anatomy and physiology of the birth process alongside yogic philosophy in order to safely welcome pregnant students into their classes with confidence. Through sounding, relaxation, pranayama and modified asana we engage techniques to harness the inner strength, focus and stability called for in childbirth and motherhood to promote health and well-being. The 20 hour course makes one eligible for Open Sky certification with the completion of an additional case study and creative homework assignments. A book list will be sent upon acceptance into the program.
