FRANÇOIS RAOULT

May 29-30, 2027

Delighted to be back in Colorado where I taught
many workshops in the past few decades!

Celebrating 50 years of teaching. Still discovering new layers of meaning in the daily practice and sharing the essence of the many teaching I have received and filtered. Influenced by experiential anatomy, Ayurveda and yoga of Sound, I invite you to be part of the Journey. All students, teachers and seekers welcome! We will practice dynamic and restorative postures, pranayama and mantra. Listening to sacred music of all traditions and save some time for question/answer session and philosophy of life.
